

Renewal Dates for 2020-2021

As current Residents, we want to make sure you are taken care of first! So, we want to give you the first opportunity to keep the same unit for next year, and also the first opportunity to reserve a different unit before we start leasing units to new Residents! See the schedule below for details!

November 18, 2019 to January 17, 2020

Current Residents - 1st Dibs on renewing your own unit! Come into the office and fill out renewal paperwork to secure your space at the current rate

Current Residents - Put your name on the waiting list for a different unit. If you want a different unit, your rent will increase to the 2020 monthly rate.

New Residents - Put your name on the waiting list for a unit. All you need to do is fill out the application and put down your deposit of \$150 to secure a place (which will be assigned after January 18).

January 18, 2020 onward

Current Residents - You can still renew your current unit or a different unit if still available, at the increased 2020 monthly rate.

New Residents - Beginning January 18th, assignments are made for new units! Those at the top of the waiting list get first dibs.

As always, please feel free to talk with me about special circumstances. I will do my best to accommodate each and every one of you.

Sincerely,
Brittany Watts-Allen
